Apeer

Apeer44 is the coolest way to express your sense of style. Choose from our collection of designer doors, crafted glass and uber-fashionable furniture to set your house apart from the rest. You never know, you might even start a trend.

We have a door for every style, taste and personality.

Apeer44 doors don't just look good, they are good. Robustly built to withstand anything the UK's rough Oceanic climate can throw at them, these doors never lose their good looks. And they keep out unwanted guests too. Strong, police approved hinges and locks plus a reinforced inner core make their security as strong as their looks.

This season's collection is ready for every season's weather.

Apeer44 doors don't just look good, they are good. Robustly built to withstand anything the UK's rough Oceanic climate can throw at them. For all you know, it could be blowing a gale outside, lashing rain or hailstones. Maybe all three at once. But you can't hear the wind's howl or feel the temperature drop. That's because you have an Apeer front door.

B

Apeer44 doors are one of the highest rated for energy performance.

The energy efficiency of your door can impact the overall performance of your home.

Apeer44 doors are one of the highest rated for energy performance, and with rising energy costs our doors keep more heat in your home and more money in your pocket.

B

We've got your back.
And your front.

Install an Apeer door and you'll have the weight of our entire design team and security specialists protecting you and your home from intruders. Our doors comfortably exceed all industry standard impact and cut-through tests.

Secured by Design doors must be ordered with laminated glass.

Contemporary bar pull handles operate with an automatic locking system and escutcheon plate. Classic lever handles are also available

Multi-point Yale locking system features two rollers, three hooks, two deadbolts and a latch on traditional locks. It secures the door from top to bottom.

A reinforced frame adds strength and stability.

In order to ensure the best quality accessories are used Apeer reserves the right to replace any of the above options as required. Hardware comes with manufacturer's warranty. Please note the high level automatic lock is not suitable for all users and we recommend you check with your supplier before final order sign off.

Apeer anti-burglary cylinder snap guarantee in conjunction with Yale

£2000

Apeer will add to Yale's standard guarantee and increase the amount to £2000, if registered within 30 days of purchase with Yale and Apeer, and inline with the T&Cs.

See website for registration details.

High density core with LVL engineered timber wood offers increased sound and energy efficiency.

Along with a high security, high strength reinforced polymer insert to stop cut-through.

Weather deflectors are fitted to protect against the elements.

All Apeer glass is Kitemarked, toughened, double glazed glass.

Yale SensCheck™ Sensors put you in control of your home security.

Using SensCheck™ Sensors, you can check to see the status of your home, from anywhere, anytime.

Yale SensCheck™ Sensors are simple to install in compatible smart doors. Monitor the status of your doors and windows from anywhere at any time via the Yale Smart Living Home App. Receive notifications and tamper alerts straight to your smartphone, or chime notifications when the status of your door or windows change.

Yale

Check the status of your doors and windows with your voice.

Integration with Amazon Alexa and Google Assistant makes it even easier to check the status of your home.

Simply ask, '...is the back door locked' or '...is the front door closed', and your voice assistant can tell you in real time if you've locked your door or window, giving you total peace of mind.

Integration with Philips Hue means your lights will flash once when alarm is armed, or disarmed. It can also act as a visual deterrent alongside notifications and audible alarm from the Sync Hub.

Senscheck must be specified at the time of order and it cannot be fitted once the door is installed

Benefits of SensCheck™ include:

- Sensor status notifications and tamper alerts
- Geo-fencing notifications
- Part Arm functionality
- Chime notifications
- Integration with Amazon Alexa, Google Assistant and Philips Hue
- BSI IoT accredited
- Ability to upgrade to full Yale Smart Security System

You pick the colour,
we match it.

If one of our 27 colours isn't exactly what you're looking for, our manufacturing process enables you to match your door to most colours. Simply bring along a RAL or BS colour reference and we'll match it.

Door Summingdale

Doors with a unique
personality: yours!

Your front door is the focal point of your home's façade. But it's more than just an entrance. It speaks to the world on your behalf. It reflects your personality and stands for the same things you do. And if it's also about standing out from the crowd, our standard colour choices or colour matching options are right up your street.

Check out our standard and premium colour palettes.

LOW MAINTENANCE

To keep your Apeer door looking great, gently wipe down your door with warm soapy water and a soft cloth.

STANDARD COLOURS

PREMIUM COLOURS

Metallic Colours are not available. There is an extra charge for Premium and RAL/BS colours. We may not be able to match all RAL/BS colours. 5 year guarantee on Premium Colours.

Every effort has been made to reproduce the colour of our Apeer doors and the coloured film in the decorative glass designs. However, printing constraints will give rise to some colour deviation. For exact colour matching please request a colour sample from your approved supplier before purchase. Please note the grain on the GRP Apeer door does not replicate the grain on the frame as it is a PVC foil. The grain and colour on the Oak and Rosewood doors are not an exact match to the Oak and Rosewood PVC frames.

Three distinct trim designs across our range of doors.

From contemporary to traditional, and in any colour you can imagine. Our range of doors is designed with one of three distinctive trims.

Each door style has its own unique trim as shown and trim style cannot be changed.

Contemporary Flat Grained Trim

Traditional Moulded Grained Trim

Modern Flat Stipple Trim

NEW

Contemporary Flat Grained Trim

Be eclectic by combining a grained finish with a modern squared-off flat profile that complements a contemporary Flush or designer Monza II door.

Traditional Moulded Grained Trim

The traditional choice with a moulded design and a grained finish to suit a more conventional door design.

NEW

Modern Flat Stipple Trim

The contemporary one, with a squared-off flat profile and smooth stippled finish that perfectly matches Silka, our aluminium-effect composite door.

Door Ribble

PREMIUM, HANDCRAFTED,
ELEGANT, GLASS DESIGN

The Beaumont is a very traditionally designed glass reminiscent of designs used in the Victorian period. Using a combination of vibrant coloured glasses against a background of softly rippled glass, finished off with blackened cames, this design is ideal for doors in period properties.

Our new glazed GRP side panels add style and sophistication to your home.

The ultimate partner to your door. Perfectly match your door glass design with your sidelight glass using our latest innovation in sidelight design. The moulded glazing trim matches perfectly to the door and we ensure a designer look by lining the top of the door and side panel trims across the full width of your door set.

Apeer side panels are made using high strength glass fibre laminate, utilising a combination of glass fibre weave, reinforced with magnesium silicate board and high density foam to ensure the ultimate in security and energy efficiency.

Senscheck

Make your doors smarter, with the SensCheck Door Sensors. Fit these sensors into your door and use your Home app to check if doors are open, closed, locked or unlocked.

Know the status of your doors and windows; check whether they are fully or partially secure, all of which can be easily controlled and monitored via the Yale Home App.

Get reminders via Geo-fencing alerts if your doors or windows are left open when you leave the house.

Arm or Part-arm your home to secure only the areas you want to.

Receive Chime notifications when the status of your window or door sensor changes.

Tamper alerts mean you will be notified if there is a status change you didn't expect.

Make your home smart! SensCheck Sensors work with Amazon Alexa, Google Assistant and Philips Hue.

Upgrade to a Yale Sync Smart Home alarm! Once you have the Sync Hub, simply add additional accessories, such as motion detectors.
