

THE PERFECT PARTNERSHIP
THE PERFECT DOOR

THE
RESIDENCE
DOOR COLLECTION
BY **Apeer**

Premium brands, perfectly partnered

Two market leading brands have partnered to launch a specification-led door range.

The Residence Door Collection by Apeer delivers a range of 20 door styles that have been curated to complement Residence Collection windows in terms of aesthetics, quality and performance, designed to match traditional and modern homes aesthetically, whilst having Passivhaus compliant U Values as low as 0.51 W/m²K and security enhancements.

Practical yet beautiful, The Residence Door Collection by Apeer can enhance both your home and lifestyle, providing easy access to outdoor spaces. Authentically styled, with both conventional and contemporary designs, with options of top-lights, sidelights, premium furniture and bespoke glass to further personalise. No compromise to beauty or functionality.

Doors, for all homes and all applications, the way you want them to be.

THE
RESIDENCE
DOOR COLLECTION
BY
Apeer

Superior performance, beautifully designed

A total of twenty designs has been chosen, including a beautifully crafted Heart door that has been bespoke designed to complement the stunning timber alternative windows from The Residence Collection.

The new door by Apeer, including the key elements of design and performance is presented as 120mm front-to-back format, including traditional, contemporary and stable door designs, with 78mm quadruple sealed glass units as standard. Construction will be of GRP skins around a high density PU core, reinforced with steel mesh embedded within the core of each door.

Every door, including skins and glass units, will be manufactured by Apeer at their 120,000 feet² Ballymena factory.

Key Features:

Passivhaus compliant with U Values as low as 0.51 W/m²K.

Residence Collection's R9 or R² 100mm frame and open-in door sash.

120mm door-set.

GRP skins around a high density PU core, reinforced with steel mesh embedded within the core of each door.

78mm quadruple sealed glass units as standard.

Ultion KeyTag, with Apple Find My as standard.

Weather deflector as standard.

Toplights and full sidelights available.

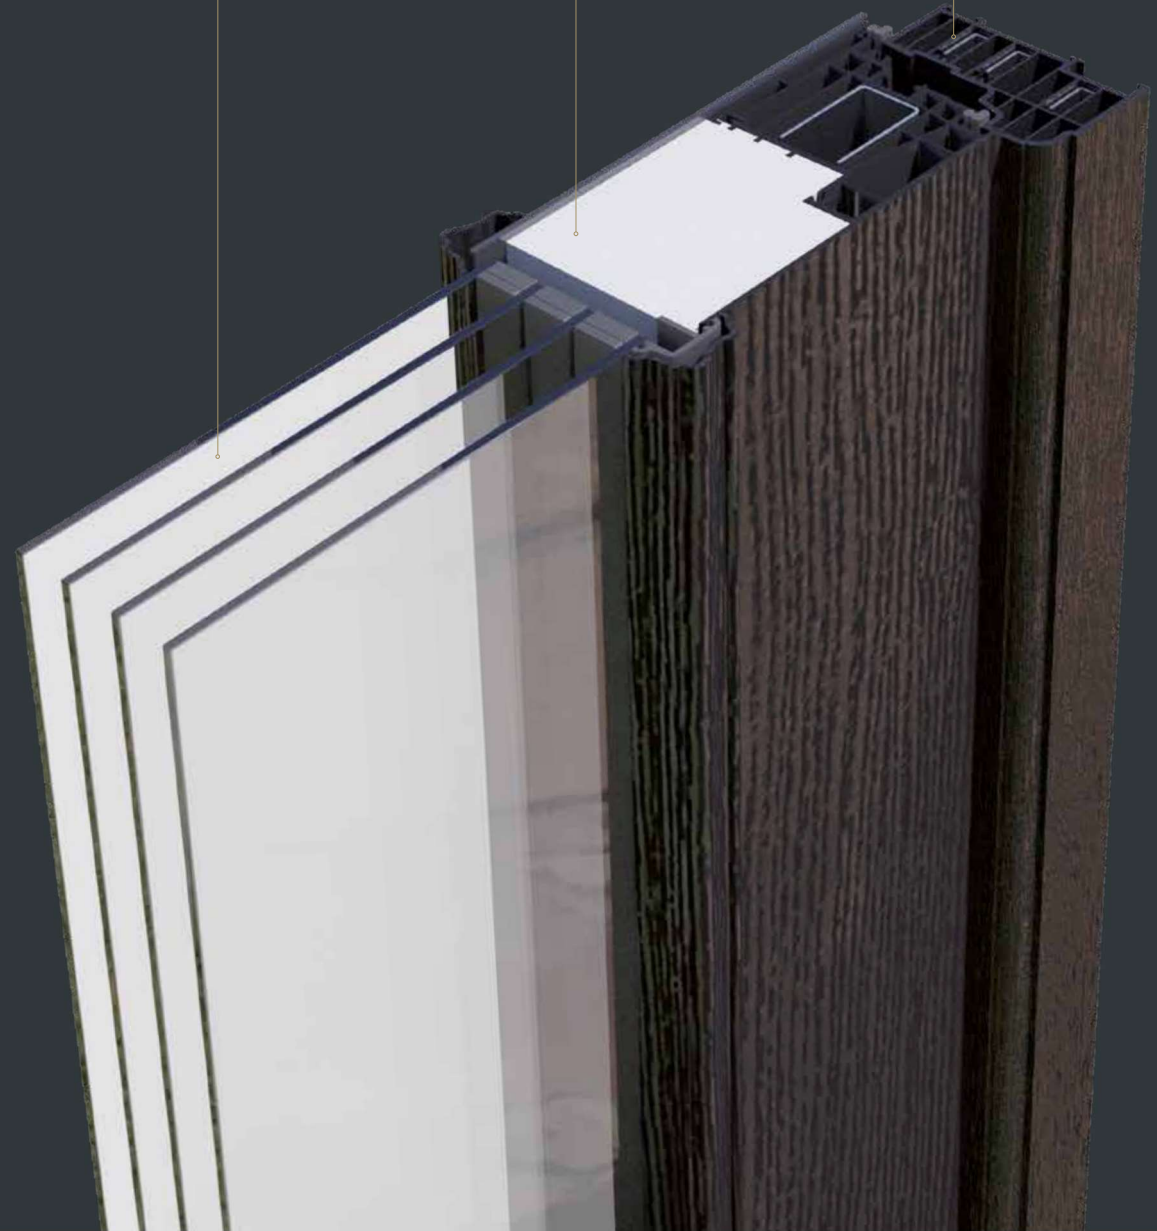

PAS 24 compliant.

Stormguard or full frame threshold.

78mm quadruple sealed glass units as standard

GRP skins around a high density PU core, reinforced with steel mesh embedded within the core of each door

Residence Collection's R9 or R² 100mm frame and open-in door sash

*Security innovations,
for a safer home*

ULTION | KeyTag

Find your Ultion key with Apple® Find My. We have partnered with Ultion to offer the ultimate in modern security innovation for doors, with every Residence Collection Door by Apeer sold having an Ultion key and Apple fob as standard.

The Ultion KeyTag uses Apple's Find My network to help locate a lost key. It can notify an iPhone, iPad or Mac if the key has been left behind and sounds an alarm when it's nearby.

Choose your door

Our doors are passivhaus compliant with U Values as low as 0.51 W/m²K.

Every effort has been made to reproduce the colour of our Apeer doors and the coloured film in the decorative glass designs. However, printing constraints will give rise to some colour deviation. All Residence Collection Doors by Apeer are 120mm and quadruple glazed as standard. Please note the grain on the GRP Apeer door does not replicate the grain on the frames as it is a PVC roll. Glass designs shown in sidelights may vary depending on sidelight width. Coloured film in glass designs is not an exact match to the door colour. The glass has been designed by our in-house glass designers specifically for this collection and any imprints on the film are a natural part of the handcrafted process.

Love your door

The Residence Collection is known for being the market leading timber alternative window and door system in the UK and Ireland, and to represent our partnership we have developed the perfect #cottagecore door, the Heart door by Apeer features quadruple glazing as standard, so you can get the traditional aesthetic, with modern features.
